THE CONSTITUTION OF THE COLLABORATIVE MANAGEMENT ASSOCIATION OF [Insert Name of County] - CO-MANAGEMENT ASSOCIATION/CMA

PREAMBLE

The **Collaborative Management Association of [insert name of county]**, Stakeholders and the local government of the **[insert number]** collaborating communities in **[insert number of districts]** of **[insert name of county]**;

Conscious of the benefits to be derived from multi-sectoral and close cooperation and maintenance of mutually beneficial working relationship with each other, and;

Acknowledging our responsibility as members of the CMA to contribute to poverty eradication amongst fisher folks, and to improve the livelihoods of fishing communities in **[insert name of county]** through a collaborative management of the marine resources of in-land and coastal waters within **[insert name of county]** and aware of the need to conserve these resources on a collaborative and sustainable basis for the benefit of communities, the people of Liberia, the West Africa sub-region and the international community; and;

Desiring to promote ecosystem integrity, biodiversity conservation as well as socio-economic development in **[insert county name]** and across Liberia;

Appreciating the importance of Co-management of natural resources in **[insert name of county]** as well as the importance of local fisherfolks and having undertaken a comprehensive bottom-up consultative process that has involved a broad range of stakeholders including diverse groups of local community interests;

Having decided to associate through the Collaborative Management Association of **[insert name of county]** institutional framework to improve governance and enhance social and economic development of surrounding fishing communities in **[insert county]** through coordinated and integrated management and development of the natural resources in the County;

Recognizing the effective participation and contribution of the fisherfolks in **[insert name of county]**, the National Fisheries and Aquaculture Authority (NaFAA), the local Government and Authorities of **[insert name of county]** in the formulation and adoption of this Constitution; and

In Accordance with the Natural Resource Law of 1958, the Fisheries Act of 2017 establishing NaFAA, the 2019 Fisheries Management and Development Laws, ***and through we the authorized representative members of the CMA Constitution Validation Committee*** hereby present and whose signatures are appended hereinafter on December 9, AD 2022 in the City of Monrovia; **now therefore agree to this Constitution:**

ARTICLE I

CITATION

This Constitution shall be cited as the Constitution of the Collaborative Management Association - CMA of [insert name of county].

ARTICLE II

DEFINITION OF KEY TERMS

For the purposes of this Constitution, unless the context otherwise requires, the following terms shall have the meanings ascribed to them under this article:

Artisanal fishing - small scale commercial fishing using an artisanal fishing vessel where the owner is directly involved in the day-to-day running of the enterprise.

Artisanal fishing vessel - any fishing vessel, canoe, or undecked vessel of not more than sixty feet which is motorized or un-motorized, powered by an outboard or inboard engine with a capacity not exceeding 40bhp, sails or paddles, used for artisanal fishing in the "Fisheries Waters".

Association – unless the context otherwise requires, means Collaborative Management Association – CMA.

Associate members - external, invited or non – dues paying members of the CMA, which has no voting right.

Authority – the National Fisheries and Aquaculture Authority (NaFAA)

Board of Directors – the organ that has oversight responsibility to monitor and evaluate the performance of the CMA Executive Committee and to ensure compliance with the goals and objectives of the Association;

Co-management Association (CMA) - a structure to manage fisheries at the county and community level and which performs as the decision-making body for the designated area.

Co-management Association of [insert name of county] – a structure to manage fisheries in [insert name of county] and perform as the decision-making body for the fisher folks in said county and community.

Co-management - a partnership arrangement in which the fishers and government share the responsibility and authority for the management of the fishery. Through consultations and negotiations, the partners develop a formal agreement on their respective roles, responsibilities, and rights in management.

Executive Committee – refers to the committee of the [insert name of county] Collaborative Management Association, responsible for coordination and management of the day-to-day affairs of the Association.

Fishery or Fisheries –

(a) taking into account geographical, scientific, technical, customary, recreational, economic and other relevant characteristics; or

(b) any fishing for such stocks, and in the case of [insert name of county], specifically local businesses and livelihoods associated with the capture, processing, transport, and sale of local fisheries, including (but not limited to) artisanal fishers, boat captains, boat owners, fish mongers, processors, and transporters.

Fishing Rights- A kind of right, by which fishers may have exclusive use of a designated area and resources. It is an authorization given to fishing communities to enable them to do fishing by NaFAA.

Fisheries Waters - the waters over which the Republic of Liberia exercises jurisdiction or sovereign rights as declared in relevant national laws.

Fishing -

(a) Searching for, catching, taking or harvesting fish;

(b) the attempted searching for, taking or harvesting of fish;

(c) engaging in any other activity which can reasonably be expected to result in the locating, catching, taking or harvesting of fish;

(d) placing, searching for or recovering any fish aggregating device or associated equipment including radio beacon;

(e) any operation at sea in support of or in preparation for any activity in relation to a fishing vessel described in Paragraphs (a), (b), (c) or (d);

(f) any use of an aircraft which is related to any activity described in Paragraphs (a), (b), (c) or (d), except for flights in emergencies involving the health or safety of a crew member of the safety of a vessel, but does not include aquaculture or the transportation of fish;

Inshore Exclusion Zone - the area of the Fisheries Waters up to a distance of six (6) nautical miles from the baseline from which the territorial sea is measured.

Landing Sites – refers to the coastal and inland areas where fish is landed within [insert name of county], which includes: [insert name of fish landing sites]

Fishing Communities – refers to coastal or inland communities where fishing activity is done.

Lead agency – means any Ministry, department, parastatal agency, local government system or public officer in which or whom any law vests functions of control or management of any segment of the environment.

Registered members - are CMA members in [insert name of county] that pay membership dues and have voting rights.

Relevant lead agency- refers to any lead agency that may have legal or administrative mandate to do any act under an existing law with respect to the [insert name of county] CMA.

Representative Council – Shall be appointed by the President of the Executive Committee and shall be drawn of the CMA stakeholders from the **(insert number of communities)** making up the CMA in **[insert name of county]**

[insert name of location] – the geographic area of **[insert name of county]** which includes the **[insert number of communities]** coastal and in-land fishing communities: **[list name of communities]**

Transferability – the ability for fishing rights to be traded or exchanged from one user to another. Transfer of fishing rights affords those who hold the rights the option of selling their rights to other users and allows outside users the potential to access and gain fishing rights through transfer. Typically, the exchange of rights is done through a transfer agent or agency. Non-transferable rights prevent outside users from being able to access or attain fishing rights through exchange or trade (sale).

ARTICLE III
